Dear Parents/Guardians,

We're excited that you're interested in our first ever Summer Music Camp. Our goal is to encourage your children to be musicians; to help them discover their talents and gifts; and to better equip them for further musical learning. This camp is going to be **FANTASTIC!** If you haven't already looked through one of our brochures, then **PLEASE DO.** It has every bit of information you need to know about the camp. Enclosed with this packet is a registration form, medical information and consent form, complete "TRAX" list (for your children to choose from), and a FAQ's page. If you have ANY additional questions, please feel free to call our church office at 229-924-4092 or email me at jhoran@cbcamericus.org. Thank you and we hope to see your children July 19-23 at Music Camp!

God Bless
