

CBC Music Camp TRAX List

Each student may participate in 2 TRAX (or small group) sessions each day. Select 3 options from the list below, and we'll do our best to get each child into their top 2 options.

1. **Guitar** **1st Grade and Up**
Learn the basics including: notes, chords, scales, strumming rhythms, and more. Whether beginner or advanced you'll pick up great tips to jump-start your playing! (Must have a guitar)
2. **Keyboard** **1st Grade and Up**
A great introduction to playing piano. We've set up a great keyboard lab for beginners to learn from day one!
3. **Percussion** **1st Grade and Up**
This is a great track for any kid that LOVES to beat on stuff. They'll get to play instruments from around the world as they learn about rhythm and beat.
4. **Ukulele** **1st Grade and Up**
For any child that wants to learn to play something a little different. The Ukulele is a great beginning instrument for eventual guitarists or violin players. Your camper will love learning basic chords and playing an "island style" of music for our Camp Concert.
5. **Wind Instruments** **3rd Grade and UP**
Campers who have already started or own a wind instrument (flute, clarinet, oboe, saxophone) will enjoy this chance to be in a small ensemble learning new skills, music, and performing a small group for our concert at the end of the week.
6. **Instrument World** **3rd Grade and UP**
Campers with no band experience may wonder what instruments they could play.....here's they're chance to find out. They'll get a chance to try a variety of instruments and see what they might want to learn!
7. **Recorder Karate** **3rd Grade and UP**
Get your musical martial arts skills ready! In this TRAX campers will learn to play the recorder (a beginner wind instrument) and progress up through ranks to attain the coveted Black Belt of Recorder Karate.
8. **Bells and Chimes** **3rd Grade and Up**
Campers will love learning to play all levels of chimes and handbells and will be grouped according to their ability to read music and prior musical experience. It's a great chance to experience these beautiful and unique instruments that are truly "HANDS-ON".
9. **Piano Studio** **3rd Grade and Up**
Students with at least one year of private instruction can participate in small 2-4 persons studio sessions that will challenge their skills and give them new ones!
10. **Voice Studio** **4th and 5th Grade only**
Students with at least one year of private instruction or school choir can be a part of these 5-6 person studio sessions that will give them one-on-one guidance with a real voice coach and teacher!
11. **Music and Technology** **4th and 5th Grade only**
Older students will love this opportunity to learn how to record and mix they're own music. The availability for this TRAX is VERY limited and will be first come first serve until the spots are filled.
12. **Composing** **4th and 5th Grade Only**
Want to learn how to write your own songs? This Trax is perfect for any camper with at least one year of private instruction or band that wants to learn the basics of writing music.
